What type of soil are you?

*But some seed fell on rich soil, and produced fruit,
a hundred or sixty or thirtyfold.*

Whoever has ears ought to hear.” – Matthew 13: 8-9

We welcome and thank our 1,869 Parishioner Families

Dear Parishioners and friends,

GOD is good! There is never a dull moment for us here at St Padre Pio Parish and St Hilary School. This is our 3rd year under Renew My Church (RMC) initiative – the year of Missionary Discipleship. Like other RMC parishes, we not only deal with our local issues but we also navigate the vision of the Archdiocese of Chicago - igniting the faith of people and streamlining parish operations. The Discipleship Marker Index (DMI), on pages 8 and 9 attests to the insights from our parishioners on what they want us to focus our energy on for the growth of the parish and school.

Jesus said you must understand the parable of the Sower to understand other parables.

“Then He spoke many things to them in parables, saying: “Behold, a Sower went out to sow. And as he sowed, some seed fell by the wayside; and the birds came and devoured them. Some fell on stony places, where they did not have much earth; and they immediately sprang up because they had no depth of earth. But when the sun was up, they were scorched, and because they had no root they withered away. And some fell among thorns, and the thorns sprang up and choked them. But others fell on good ground and yielded a crop: some a hundredfold, some sixty, some thirty. He who has ears to hear, let him hear!” – Mathew 13:3-9

The parable above is about the Sower, the Seeds, and the Soil. It is critical in our parish that we understand this parable. The Sower is God, as well, as our clergy and proclaimer of the Words of GOD. The Seeds are God’s Words, and the Soil is us, the hearer of the word.

We are blessed to have new Sowers in our parish that intentionally spread and proclaim the Words of God (the Seeds) to the diverse condition of the hearts of our parishioners. Our hearts are like the different types of Soil. Let us honestly examine our hearts. Is it the “Good Soil” – a heart ready to see, hear, and work on God’s Words, a heart that nurtures the Seeds and produces harvest up to a 100, 60 or 30 folds? Or, is it the wayside, the stony path, or the thorny path – where the Seeds do not grow? A heart with no space for God, a heart, that worries and is attached to this world, thus, choking the Word and becoming unfruitful?

That Parable is, indeed, a revelation to those who are enlightened. As our parish works on strengthening your faith and inspiring you to witness your faith to others, we also ask that you do your part in cultivating the Soil of your hearts. You must be intentional and committed to do the “work”, to change from within. It is a journey of discovering God and His Words hidden in your hearts. Invest your time to the discipline of prayer, alms giving, attending mass, and sharing your time, talent, and treasure for the salvation of the world.

Our Parish has encouraged additional devotions, liturgical trainings, pilgrimages, parish missions, events, and gatherings with lay testimonies. The Parish leadership continues to immerse in various faith formation and operational realignment. We see new faces, eager people - young and old of different ethnicity, invested in our parish. Our parishioners are hungry to grow in the knowledge and have a deeper relationship with God. They ask to be fed spiritually, wanting to be discipled and to disciple others in the Words. Our vision is to let you discover your identity in Christ, and to belong to the family of God, undaunted to share His Words and mercy to others. Our mission is to **Heal, Serve, Witness and Worship!** Pray, hope, and don’t worry. Jesus, our Lord is in control, if you let Him.

Pease and blessings,

*Rev Aloysius Funtila, our Clergy, Staff,
Parish Pastoral and Finance Councils
St. Padre Pio Parish*

The Parish Mission Committee with the guidance of Rev. Juan Carlos Arrieta started on December 20, 2022 to craft the parish mission statement. After five months of meetings they were able to capture the essence of the parish community to put into words who we are as a parish. The mission statement was presented to our parishioners on Pentecost Sunday May 27-28, 2023. Presenting ...our mission statement:

We are a diverse Catholic family united in Christ's call for discipleship. Inspired by the life of St. Padre Pio, we Heal, Serve, Witness, and Worship.

Our Parish Commissions

Parish commissions are standing committees that play vital roles in the ministry of the church. Each commission is composed of various ministries or groups that carry out their respective responsibilities that can parallel the calling of our Parish Mission Statement; **To Heal, Serve, Witness, and Worship**. These standing committees serve to identify the needs of St. Padre Pio Parish that are communicated to the clergy and staff and as appropriate to the Parish and Finance Councils. These four commissions are shown below. Which of these tugs at your heart? Let our clergy know. They are the champions of these teams by continuously nurturing the parish faithful to activate missionary discipleship and consequently foster parish vitality. Now is the time to get involved. If not now, when? If not me, who?

The commission is intentional in its commitment to serve the marginalized, our faith community and the neighbors we come face to face with. It identifies the human needs of parishioners and others, and initiate activities or services to address those needs by supporting various work services. It endeavors to educate parishioners concerning the Church's social teaching; helping people understand and act upon the conviction that social justice and concern for others are constitutive of the Gospel message.

HUMAN CONCERNS

HEAL

Father Juan Arrieta

The diversity in our parish affords us numerous opportunities to establish, support, and oversee all ministries and committees that relate to family life and social aspects of our parish life. This commission plans and organizes community-building events in the parish so that parishioners will know and support each other. It ensures that the needs of all segments of the parish are addressed, particularly young people, the elderly, parents and newly-weds.

PARISH LIFE

SERVE

Father Aloysius Funtila

Our parish is creating pathways to engage and motivate our parishioners, to deepen their relationship with God, experience God's presence in their daily lives to encourage them to boldly share the love of Jesus to others. The team involves families in parish and school activities to promote the growth of our parish. A whole family approach can foster ongoing catechesis. It establishes robust marriage and infant baptism preparation programs for families as well as assist married couples in fulfilling their vocation as Christian husbands and wives.

FAMILY

You will find a community of diverse peoples finding common ground in the shared responsibility of raising children of faith prepared to encounter the challenges of modern life.

It's not uncommon at St. Hilary to see three generations of students. School families feel an incredible sense of community and pride, which is a crucial part of its culture and success. This strong sense of family is why St. Hilary School remains a strong academic institution on the northside of Chicago

FAITH

The students at St. Hilary experience a balanced curriculum for spiritual and moral development-- growing in wisdom by learning to think critically about their beliefs, growing in faith through communal worship, and developing lifelong commitment to civic engagement through works of service.

Wait no longer. Let's support our remarkable school!
