

## **New Parishioner Registration Form**

### **Welcome to St. Padre Pio Parish!**

#### **Why should I register with St. Padre Pio?**

Registering as a parishioner of St. Padre Pio Parish offers you and your family members several benefits such as:

- You will receive an official income tax receipt for your financial donations upon request.
- You will receive a box of numbered envelopes for your contributions to the Parish.
- You can obtain a reference letter from the parish priest when applying for immigration, or a job, especially with a Catholic school or hospital.
- You become an official member of a dynamic and vibrant faith community providing opportunities and access to faith gatherings & celebrations.
- In case of emergency, the parish can contact you or members of your family.

The number of registered members is used by the Archdiocese of Chicago to determine how many priests will be assigned to a particular parish. The number of registered parishioners is a factor in determining how many staff members the parish will employ to meet the needs of the members of this parish.

#### **What is expected of me?**

There are no set obligations on you as a registered parishioner of this parish. However, this parish can only continue to exist because of the many registered parishioners who give so generously of their time, talent and treasure.

#### **How can I get involved?**

Each parishioner is asked to prayerfully consider what Time, Talent and Treasure resources they are willing and able to offer their parish.

The first step in serving in a ministry is to complete this registration form to begin the process.

Your prayers in support of the programs, activities and members of this faith community are always needed.
